

High Temperature Resistance Compact Stainless Steel Pressure Sensor For Air Compressor

Specifications :

Price	Contact Us
Place of Origin	Shanghai, China
Min.Order Quantity	1 set
Payment Terms	T/T, L/C, Western Union, etc.
Delivery Detail	10-25 working days.

Detail Introduction :

Application?

Gas, hydraulic control, various industrial applications, It is a high-quality Pressure Transmitters & Sensors.

Main features?

Rated capacity: -1...0.1...1000bar

Accuracy (according to BFSL): 0.25%/0.5%FSO

Analog output: 4...20mA/2 wire system ~ 0...10V/3 wire system
